

Islip, NY – Islip Town Supervisor Phil Nolan (second from right), Councilmen Gene Parrington (left) and John Edwards (second from left), and Town Clerk Regina Duffy (right) recently met at Town Hall West to help distribute Thanksgiving baskets and turkeys to families in need.

Hundreds of baskets were assembled by the Department of Human Services and volunteers. The baskets were comprised of traditional Thanksgiving foods, such as stuffing, canned vegetables and desserts, and they were delivered to charitable organizations, which in turn provided the baskets and turkeys to eligible families.

The baskets were funded largely by donations from the Islip Thanksgiving Breakfast Committee and Islip Town employees.
